This Memorandum of Coverage (MOC) sets forth the terms, conditions, and limitations of coverage provided to **Participants** under the Pooled Auto Physical Damage Program (PAPDP). The terms of this MOC may not be changed or waived except by amendment made a part of this MOC.

Throughout this MOC, words and phrases that appear in **bold** have special meaning. They are defined in Section A, "Definitions" or in the Master Program Document.

- (f). Vehicles, not described in paragraphs (a), (b), (c), or (d) above maintained primarily for purposes other than the transportation of persons or cargo. However, self-propelled vehicles with the following types of permanently attached equipment are not **Mobile Equipment** but will be considered **Automobiles**:
 - i. Equipment designed primarily for:
 - a. snow removal,
 - b. road maintenance, but not construction or resurfacing; or
 - c. street cleaning;
 - ii. Cherry pickers and similar devices mounted on automobile or truck chassis and used to raise or lower workers; and
 - iii. Air compressors, pumps and generators, including spraying, welding, building cleaning, geophysical exploration, lighting or well servicing equipment.

However, **Mobile Equipment** does not include land vehicles that are subject to a compulsory or financial responsibility law or other motor vehicle insurance law where it is licensed or principally garaged. Land vehicles subject to a compulsory or financial responsibility law or other motor vehicle insurance law are considered **Automobiles**.

- 4. **Contractor's Equipment** shall mean a land vehicle not subject to motor vehicle registration however **Contractor's Equipment** shall not include vehicles described in paragraph 3, above.
- 5. **Covered Party** shall mean a **Participant** that has sustained a **loss** which is covered under this MOC.
- 6. **Loss** shall mean any direct and accidental **loss** or damage to **Automobiles** occurring during the coverage period, which is not specifically excluded from this MOC.

SECTION II - COVERAGE AGREEMENT

The **Authority** will reimburse the **Covered Party** for **losses** to an **Automobile** occurring during the coverage period and reported within ninety days of the **loss**. All property must be scheduled prior to **loss**, or have been acquired during the coverage period in which the **loss** occurs, in order for coverages and limits under the PAPDP to apply.

A vehicle, trailer, or semi-trailer which is purchased by or leased for at least 180 days to the **Participant** during the coverage period shall be covered under this PAPDP for the remainder of that coverage period, but must be scheduled for the next coverage period in order for coverage to continue.

The **Authority** will reimburse the **Covered Party** for towing expenses incurred by the **Covered Party** to transport the **Automobile** to the **Covered Party's** property or to a repair facility, up to a maximum expense of \$500.

SECTION III - LIMIT OF LIABILITY

The **Authority** shall pay up to \$25,000 for any one **loss** for the cost of repairing or replacing, whichever is less, the damaged or stolen **Automobile(s)** with like kind.

SECTION IV - DEDUCTIBLE

The **Authority's** liability under Section III above shall be reduced by the deductible amount of \$1,000 for repair and \$5,000 for replacement.

SECTION V - COVERAGE PERIOD AND REPORTING

This MOC applies to **losses** occurring during the coverage period defined in the Declarations, and reported within ninety days of the **loss**.

SECTION VI - EXCLUSIONS

This coverage does not apply to **losses**:

1. caused by war, whether or not declared, insurrection, rebellion, terrorism, or revolution. Terrorism is defined as an act, including but not limited to the use of force or violence and/or the threat thereof, of any person or group(s) of persons, whether acting alone or on behalf of or in connection with any organization(s) or government(s), committed for political, religious, ideological or similar purposes including the intention to influence any government and/or to put the public, or any section of the public, in fear;
2. caused by wear, tear, improperly maintained tires, freezing, or mechanical or electrical breakdown;
3. caused by flood;
4. caused by earthquake; or
5. that occur when the **Automobile** is parked at a **Covered Party's** location.

Exclusions 1, 3, and 4 do not apply to **losses** to an **Automobile** when the **Covered Party** is responding to the events described in those exclusions.

SECTION VII - CONDITIONS

1. The **Covered Party** shall submit two estimates for the cost of repairing or replacing the **Automobile(s)** from which the **Authority** may establish the cost of repairs under Section III. The **Authority** has the right to set the cost at the lower of the estimates or any amount higher, but in no event may the cost established by the **Authority** be greater than the actual costs of repairing or replacing the damaged or stolen **Automobile(s)**. Replacement cost will be paid only if both repair estimates exceed 100% of the Kelly Blue Book Value of the **Automobile**. Replacement cost for leased **Automobiles** shall be the actual value of the loss, which is presumed to be the remaining lease value owed to the Lessor under the lease agreement. However, the presumption may be rebutted by the Covered Party if the Covered Party, within 60 days of the loss, presents evidence of what it believes is the actual value of the loss. The **Authority** has the right to deny coverage of a **Claim** if, at the time of reporting, the **Covered Party** has already repaired the **Automobile(s)**, two estimates of repair are not provided, and/or the **Claim** is not reported timely, in accordance with the provisions of Section V.
2. Where the **Covered Party** has not replaced the stolen **Automobile(s)** covered under this MOC and the stolen **Automobile(s)** is found, the **Authority** may return such **Automobile(s)** to the **Covered Party** and request return of any payment made under the **Claim** reduced by the cost of any repairs to such **Automobile(s)**.
3. The **Authority** shall have the right to any recovery made by the **Covered Party** or right of recovery that the **Covered Party** may have against any other person or entity. The **Authority** shall have the option of deciding whether to pursue those rights at the expense of the **Authority**, or whether to allow the **Covered Party** to pursue those rights at the **Covered Party's** expense. If the Authority pursues subrogation of a **loss**, the funds from any recovery shall first be allocated to payment of the expenses of the subrogation and then to reimbursement in full for payment of the **Claim** and adjusting expenses. The **Covered Party** shall be reimbursed its deductible from any remaining funds. If the **Covered Party** pursues recovery, the first \$1,000, after expenses of the subrogation have been paid, shall be paid to the **Covered Party** for its deductible, and the remainder of any recovery shall be paid to the **Authority** up to the full amount of the **Claim** payment and adjusting expenses.
4. Should the **Covered Party** salvage any part of the **Automobile(s)**, it shall inform the **Authority** of any monies recovered and such monies shall either be forwarded to the **Authority**, or the total **Claim** amount shall be reduced by the salvage amount received by the **Covered Party**. Failure to disclose salvage recovery by the **Covered Party** shall be grounds for denial of the **Claim** by the **Authority**.
5. If there is insurance applicable to the **loss**, such insurance, unless it specifically states that it is excess of this coverage, shall reduce the liability of this **Authority** by the amount that insurance is liable for such **loss**.
