## ALLIANT FACT SHEET

### RETAIL BROKERAGE VS. WHOLESALE & SERVICE OPERATIONS RETAIL BROKERAGE vs. WHOLESALE & SERVICE OPERATIONS

Many insurance brokerage firms, including Alliant Insurance Services, Inc., have affiliate and/or subsidiary companies that perform services associated with the risk management and insurance procurement process. Alliant has numerous and varied client relationships that may involve any combination of Retail Brokerage, Wholesale Brokerage and other Loss Control or Risk Management Consulting work. In addition, Alliant's affiliates, such as Alliant Business Services (ABS), can provide clients with other services not necessarily directly related to the risk management or insurance procurement process such as Human Resources Consulting and/or Appraisal Services.

Normally when acting as clients' "Retail Broker" Alliant will collect a commission as compensation, or may have a *Fee for Service* compensation plan. Typically Alliant will then have a written Agreement with clients, and that document includes full disclosure concerning compensation including wording similar to the following:

In addition to the commissions that Broker receives, Alliant Underwriting Services (AUS), a division of a related entity, may receive compensation from Broker and/or the carrier for providing underwriting services. The financial impact of the compensation received by AUS is a cost included in the premium. Additionally, the related entities of Alliant Business Services (ABS) may receive compensation from Broker and/or the carrier for providing designated, value-added services. Services contracted for by the Client directly will be invoiced accordingly. Otherwise, services will be provided at the expense of Broker and/or the carrier.

This contract language is in addition to the standard disclosure wording contained in Alliant proposals. At the bottom of this **Fact Sheet** we have attached what we include on our Standard Proposals. (Additional disclosure wording is also included on Alliant invoices.) Full disclosure is a key component of client communication concerning compensation.

The **Retail Broker** activities, and Alliant's other services involved in Wholesale Brokering are distinctly separate. Our Retail Brokers and staff act as *advocates for the client* and are involved in the day-to-day delivery of services spelled out in our "Scope of Services." Such services include negotiating terms and conditions of coverage, issuance of certificates, tailoring coverages to meet specific needs, and assuring that all lines of coverages are properly provided to protect clients' assets.

**Wholesale Broker** activities are provided through Alliant Underwriting Services (AUS). These include administration of programs that Alliant companies manage and/or underwrite, and involve separate functions from Retail Brokerage service. Alliant Insurance Services, Inc. has other operations including, AUS and ABS, which provide non-retail brokerage services. The inclusion of these Wholesale Broker activities into a program has additional advantages that accrue to clients, primarily in the realm of cost savings, as needed services can generally be provided less expensively by a wholesale outfit than by a traditional insurer. This is especially the case when a program is large or complex.

As in any business, the cost of services will vary year by year based on program size, underwriting authority, and other factors. AUS receives compensation from carriers for which it provides underwriting and program administration services. There are numerous services involved in this Wholesale Broker function, including:

- Underwriting new and renewal business for the primary/excess markets
- PML Analysis
- Claims Analysis
- Program Management
- Program Administration/Information Technology associated with program management.

**AS JUST ONE EXAMPLE**, the Public Entity Property Insurance Program (PEPIP) - formed in 1993 to meet the unique property insurance needs of public entities – has grown from 65 members in one State to over 9,000 members in 45 States. This growth has fueled insurance cost savings for all members.

## ALLIANT FACT SHEET

To achieve Program results, AUS annually:

- **Underwrites** over 6,000 renewal applications,
- **Reviews** Statement of Values and associated COPE (Construction, Occupancy, Protection & Exposure) information for over 262,303 PEPIP property locations,
- **Allocates** premium between 25 separate insurance markets,
- **Establishes** renewal pricing parameters in accordance with the underwriting/rating standards provided by the program markets, and
- Performs *Program Accounting* including individual member pricing billing, collections, and remittance to program markets.

Additional ABS services available to Program members include:

- **Loss Control Services** (no specific budget and can be tailored to individual clients).
- **Appraisals** (Buildings over \$5M appraised every 3-5 years. We currently do every 3 years, but we are evaluating doing every 5 years at renewal).
- **Infrared Testing** (again tailored to the client but not an unlimited number of days).
- **Business Interruption Consulting** (assistance by Forensic Accountant in determining Business Interruption values).
- **PEPIP Solution Center** (24 hr. hotline to address Property Loss Control questions).
- **Webinars** (8-10 web based training sessions per year on Property related topics).

Alliant Insurance Services, Inc., our Retail Brokers and colleagues all strive to provide the high level of service expected from our clients at a competitive level of compensation that should be clearly understood and documented.

*Commissions are customarily paid by the insurance carriers to their agents and to brokers as a percentage of premiums. In addition to the commissions that Alliant receives, Alliant Underwriting Services ("AUS"), a division of a related entity may receive compensation from Alliant and/or the carrier for providing underwriting services. The financial impact of the compensation received by AUS is a cost included in the premium. Additionally, Alliant Business Services ("ABS") and/or Strategic HR may receive compensation from Alliant and/or the carrier for providing designated, value-added services. Services contracted for by the client directly will be invoiced accordingly. Otherwise, services will be provided at the expense of Alliant and/or the carrier. Further information is available upon written request directed to: Alliant Insurance Services, Attention: General Counsel, 701 B Street, San Diego, CA 92101.*

**NOTICES:** Policy coverage of this policy provides coverage on a claims made and reported basis; except as otherwise provided, coverage under noted coverage schedule applies only to claims first made against the Insured/Member and reported to underwriters during the policy period. Claims expenses shall reduce the applicable limit of liability and are subject to the applicable retention.

This is a shared limit policy among the Named Insureds. The per Insured/Member policy limits are on a per claim or incident for each Insured/Member basis, sub-limits listed are aggregated per Insured/Member and are within the total Insured/Member aggregate limit. In the event of a claim/incident with multiple Insureds/Members exhausting the program aggregate limit provided by the Insurer to Insureds/Members, payment to all Insureds/Members for the claim/incident will be determined by the Insurer. Where coverages are aggregated, sub-limit and limits apply to all Insureds/Members for the entire Policy Period unless specifically stated otherwise. The policy aggregate limit is not a per Insured/Member maximum limit.

The Liberty Surplus Insurance Corporation policy includes an “other insurance” provision. This provision precludes payment for claims when another Liberty policy provides coverage. The Liberty layer in this program is \$5,000,000 excess of \$35,000,000 of the Annual Policy and Program Aggregate Limit of Liability.

# HSB: Your Inspections Provider

Alliant Specialty Insurance Services, Inc.  
Lexington Insurance

HSB, part of Munich Re, is a technology-driven company built on a foundation of specialty insurance, engineering and technology, all working together to drive innovation in a modern world.

## Update from HSB

### [Assisting you in completing your inspection in a timely manner](#)

As your equipment breakdown insurer, HSB conducts jurisdictional boiler and pressure vessel inspections as required by law. These inspections normally do not require a lot of your time. The inspection is typically visual and requires operating and safety controls testing among other items. We then notify the jurisdiction of our inspection, reducing the need for our customer's involvement in this process.

Our goal is to proactively ensure your jurisdictional commitments are met on time with minimal involvement on your part other than scheduling these inspections.

Please contact us at 1-800-333-4677 well ahead of your certificate expiration dates to schedule inspections. Once we have your equipment information entered into our database, our inspector or scheduling department may also contact you prior to the due date of the inspection. Depending on the classification of business, we may visit the location unannounced to complete the inspection, minimizing any scheduling inconvenience to your business.

The inspection frequency on the equipment is determined by the jurisdiction. For example, high-pressure boilers may require a semiannual inspection, low-pressure boilers an annual inspection, and pressure vessels every two, three or five years.

Our inspector completes the inspection and sends the inspection report to the jurisdiction. In most cases, the jurisdiction will issue you the certificate with an expiration date.

If conditions requiring corrections are identified, HSB will send a Loss Prevention Report (LPR) to you. All Code recommendations must be completed, and in most cases, a re-inspection must be completed before the jurisdiction will issue the certificate. You must contact our Inspection Hotline at 1-800-333-4677 to schedule this re-inspection. For all other recommendation categories (Advisory, Priority, Critical), the inspector will follow up with you at the next scheduled inspection visit. Our Valley Forge Tech Support Unit may follow up with you on the status of Priority and Critical recommendations shortly after the LPR is sent out.

We encourage you to build a relationship with your HSB inspector. Our goal is to form and build lasting relationships with you, our customer. Highlights of our service include:

## Coverage for Boiler and Machinery

APIP includes coverage for boilers and machinery with limits up to \$100 million. Established boiler and machinery authorized inspection agencies are used for both jurisdictional and consultative services. This ensures you receive board-certified engineering expertise in machinery, equipment, electronics, and HVAC through a nationwide field network.

To manage a wide range of critical exposures, the program also provides our clients with electrical loss prevention surveys, infrared thermography, industry and technical consultation, a key account service plan, transformer oil gas analysis, boiler operation and maintenance training, and boiler and pressure vessel inspection services for non-code vessels (and vessels located in jurisdictions that do not require inspections).

## Environmental Risk Coverage

Our team of dedicated underwriters has extensive experience in environmental risk and a strong understanding of the unique needs of public entities. # APPRAISAL SERVICES

After a property loss you don't need another unpleasant surprise

Suffering a property loss is bad enough without discovering the property was undervalued and you won't recover enough to replace or restore it. The reason for your dilemma: an inaccurate or poorly documented appraisal of the property that created a false sense of security that you were fully covered for the loss.

# APPRAISAL SERVICES

If your assets are undervalued, or the values cannot be defended, the replacement costs paid by your insurance carrier will not adequately cover your losses. To ensure that commercial and public sector organizations do not face this kind of unpleasant surprise, Alliant Appraisal Services provides clients with accurate, fully documented appraisals they can trust.

Each property valuation is conducted by a licensed, experienced real estate appraiser who utilizes valuation techniques that conform to the federal reporting requirements of the Uniform Standards of Professional Appraisal Practice (USPAP). To ensure accuracy, all appraisals are submitted for peer review.

## CLIENT BENEFITS

Clients benefit from our appraisals in a variety of ways, including:

- Identifying inaccuracies in value based on occupancy or building characteristics
- Identifying inaccuracies in square footage, which impacts value
- Updating values to include building additions and renovations and to capture buildings not previously recorded
- Flagging demolished, relocated, or out-of-service structures, thereby reducing insured value
- Documenting and updating COPE (Construction, Occupancy, Protection, Exposures) data, which may help to lower premiums
- Collecting additional data as requested, including secondary earthquake characteristics and GPS coordinates

## COMMERCIAL APPRAISALS

The depth and diversity of our commercial appraisal knowledge and experience set Alliant Appraisal Services apart from other consultants. Besides our own vast knowledge base, we are able to capitalize on our access to Alliant's vast nationwide appraisal and cost databases to meet specialized appraisal needs for nearly every type of commercial client.

In addition to appraising income-producing real property—including industrial, office, multifamily, and commercial—we have extensive expertise in appraising such unique assets as medical facilities, entertainment venues, hospitality sites, construction equipment, and power generation plants, to name only a few.

## PUBLIC ENTITY APPRAISALS

Establishing accurate replacement values for such public sector assets as infrastructure, public facilities, and specialized equipment requires extensive knowledge of both the type of public entity and type of property. Among the unique public assets we appraise are water distribution systems, sewage treatment facilities, power generation plants, medical treatment facilities, school gymnasiums, fire-fighting equipment, communication towers, roadways, bridges, and many others.

## REPORT FORMATS

Our appraisal reports can be customized to a client's particular requirements, ranging from a spreadsheet that summarizes key data to standalone reports for each asset. Clients can be confident that our appraisal reports will be consistent and supported by reliable market data.

The above valuation is predicated on the values provided by the Library of Congress Dewey Decimal system and adjusted for inflation.

The figures above do not include the “shelving cost” of each book. Therefore, the formula for adjusting a library contents loss is:

“Number of items in a category that are replaced multiplied by the valuation figure plus associated shelving costs”.

The actual cost per item in the final adjustment is to be computed as of the time and place of loss or damage.

7. On Vehicles, on or off premises, where Replacement Cost (New) values are specified, loss or damage shall be based on 100% of the Replacement Cost (New) at the time of loss. Partial losses shall be based on the cost of repairing or replacing the damaged portion, up to the fair market value of the Vehicle and/or Equipment. However, should these costs exceed the fair market value then recovery shall be based upon the Replacement Cost (New).

If the values, provided by the Named Insured, provides a valuation based on Replacement Cost (New), then recovery will be on the same basis, if replaced. If not replaced, the basis of recovery shall be Actual Cash Value.

8. Animals: The stated value as per schedule on file with the Named Insured.

**Notwithstanding the foregoing it is hereby understood and agreed that solely as respects Universities, hospitals or other institutions of learning the following shall apply:**

The stated value as per schedule on file with the Named Insured except Research Animals shall be valued at the cost to replace with like kind and quality; including the increased value as a result of prior research or experiments performed on the animal(s), accumulated cost of care and maintenance, and the value of labor expended by research assistants and/or laboratory technicians.

9. Landscaping, artificial turf, sand traps, tees, putting greens and athletic fields; the actual Rreplacement Cost of sod, shrubs, sand, plants and trees; however the Company's liability for replacement of trees, plants and shrubs will be limited to the actual size of the destroyed plant, tree or shrub at the time of the loss up to a maximum size of 25 gallons per item but not to exceed USD25,000 per item.

~~For the purpose of determining coverage under this Policy landscaping, trees, plants and shrubs are only insured if their position and planting was undertaken by human agency for cosmetic effect.~~

The aforementioned valuations shall also be used for the purpose of any minimum earned premium and/or quarterly adjustments incurred.

Wherever the term "actual cash value" is used as respects real property or improvements and betterment's in this clause, or elsewhere herein, it shall mean Rreplacement Cost less depreciation.

"Replacement Cost" shall mean the cost of repairing, replacing, constructing or reconstructing (whichever is the least) the property on the same site, using new materials of like kind and quality and for like occupancy without deduction for depreciation or allowance for any increased cost of repair or reconstruction by reason of any ordinance or law regulating construction or repair, subject to the following:

- a. Until the property is actually repaired, replaced or reconstructed, the maximum amount recoverable shall be the actual cash value of the lost or damaged property;
- b. Replacement shall be effected by the Named Insured with due diligence and dispatch;
- c. Replacement need not be on same site, or of same or similar construction or occupancy provided that the Company shall not be liable for any additional costs that are directly attributable to the inclusion of this provision.
- d. For historical buildings as more specifically defined in this Section.
- e. In no event shall the Company's liability exceed the amount actually and necessarily expended in repairing or replacing (whichever is less) Covered Property or any part thereof.

It is understood and agreed that as respects Rreplacement Cost, the Named Insured shall have the option of replacement with electrical and mechanical equipment having technological advantages and/or representing an improvement in function and/or forming part of a program of system enhancement provided that such replacement can be accomplished without increasing the Company's liability. The Company shall be allowed to dispose of, as salvage, any non-proprietary property deemed unusable by the Named Insured.

In the event the Named Insured should fail to comply with any of the foregoing provisions settlement shall be made as if this Replacement Cost provision had not been in effect.

## G. BREACH OF CONDITIONS

If any breach of a clause, condition or warranty of this Policy shall occur prior to a loss affected thereby under this Policy, such breach shall not void the Policy nor avail the Company to avoid liability unless such breach shall exist at the time of such loss under this contract or Policy, and be a contributing factor to the loss for which claim is presented hereunder, it being understood that such breach of clause or condition is applicable only to the property affected thereby. Notwithstanding the foregoing, if the Named Insured establishes that the breach, whether contributory or not, occurred without its knowledge or permission or beyond its control, such breach shall not prevent the Named Insured from recovering under this Policy.

4. ~~to be or become vacant or unoccupied. If a building becomes vacant or unoccupied, notice is to be given to the Company prior to the one hundred twentieth (120th) consecutive day of vacancy or lack of occupancy. The giving, or failure to give such notice will not constitute a condition precedent to the Company's liability, but the Named Insured shall make a reasonable effort to comply with such requirement.~~If a vacant location has not been reported as part of the Named Insured(s) schedule of values held on file with Alliant Insurance Services, Inc., the coverage provided by this clause is sub-limited to the Miscellaneous Unnamed Location – Vacant and Automatic Acquisition – Vacant Sub-limit of USD as per Declaration Page.

Such notice is to be made as soon as practicable after the inception of loss—upon knowledge within the risk management or finance division of the insured that a loss has occurred.

The appraisers shall first select a competent and disinterested umpire, and failing for fifteen (15) days to agree upon such umpire, then on the request of the Named Insured or the Company, such umpire shall be selected by a judge of a court of record in the state in which such appraisal is pending. The appraisers shall then appraise the loss, stating separately the fair market value at the time of loss and the amount of loss, and failing to agree shall submit their differences to the umpire. An award in writing of any two shall determine the amount of loss. The Named Insured and the Company shall each pay their chosen appraiser and shall bear equally the other expenses of the appraisal and umpire. The Named Insured shall not be held to have waived any of its rights by any act relating to appraisal.

**M. PROOF OF LOSS**

The Named Insured shall render a signed and sworn proof of loss as soon as practical after the occurrence of a loss, stating the time, place and cause of loss, the interest of the Named Insured and of all others in the property, the value thereof and the amount of loss or damage thereto.

In the event of any loss payment under this Policy, the Company, shall be subrogated to all the Named Insured's rights of recovery thereof against any person or organization and the Named Insured shall execute and deliver instruments and papers and do whatever else is necessary to secure such rights.

As respects subrogation it is agreed that, after expenses incurred in subrogation are deducted, the Named Insured and the Company shall share proportionately to the extent of their respective interests as determined by the amount of their net loss. Any amount thus found to be due to either party from the other shall be paid promptly.

Notwithstanding the above wording, the Named Insured has the right to enter into an agreement that releases or waives the Named Insured's right to recovery against third parties responsible for the loss if made before the loss occurred.

#### **P. CANCELLATION**

This Policy may be cancelled by the Named Insured at any time by written notice or surrender of this Policy. This Policy may also be cancelled by or on behalf of the Company by delivering to the Named Insured or by mailing to the Named Insured, by registered, certified or other first class mail at the Named Insured's address as shown in this Policy, written notice, not less than ninety (90) days prior to the effective date of cancellation. The mailing of such notice as aforesaid shall be sufficient proof and this Policy shall terminate at the date and hour specified in such notice. Notwithstanding what has been stated above, however, should this Policy be cancelled for non-payment of assessment, the Company shall only be required to give the Named Insured ten (10) days notice.

If this insurance in total shall be cancelled by the Named Insured, the Company shall retain the customary short rate proportion of the premium hereon. If the Company elects to cancel coverage mid-term, then such cancellation shall be handled on a pro-rata basis without short rate penalty.

In the event of cancellation the aggregate retention and specific limit amount shall be applied pro rata with the balance, if any, to be paid to the Named Insured.

Payment or tender of any unearned premium by the Company shall not be condition precedent to the effectiveness of cancellation but such payment shall be made forthwith.

Cancellation shall not affect coverage on any shipment in transit on date of cancellation. Coverage will continue in full force until such property is safely delivered and accepted at place of final destination.

It is understood and agreed that if the Named Insured cancels this Policy, the Policy is subject to 25% minimum earned premium regardless of the length of time coverage is in force.

There shall be no abandonment to the Company of any property.

**R. ASSIGNMENT**

Assignment or transfer of this Policy shall not be valid except with the written consent of the Company.

**S. SALVAGE**

When, in connection with any loss hereunder, any salvage is received prior or subsequent to the payment of such loss, the loss shall be figured on the basis on which it would have been settled had the amount of salvage been known at the time the loss was originally determined. The salvage value will be deducted from the claim or returned to the Company.

**T. OTHER INSURANCE**

Permission is hereby granted to the Named Insured to carry more specific insurance on any property covered under this Policy. This Policy shall not attach or become insurance upon any property which at the time of loss is more specifically described and covered under any other policy form until the liability of such other insurance has first been exhausted and shall then cover only the excess of value of such property over and above the amount payable under such other insurance, whether collectible or not. This Policy, subject to its conditions and limitations, shall attach and become insurance upon such property as respects any peril not covered by such other insurance and not otherwise excluded herein.

In the event of a loss that is covered by other insurance, wherein this Policy is excess of any amount paid by such other insurer, the other insurance shall be applied to the deductible amount stated elsewhere. Should the amount paid by such other insurance exceed these deductibles, no further deductibles shall be applied under this Policy.

**U. EXCESS INSURANCE**

Permission is granted for the Named Insured to maintain excess insurance over the limit of liability set forth in this Policy without prejudice to this Policy and the existence of such insurance, if any, shall not reduce any liability under this Policy. Also it is understood and agreed as respects earthquake shock or flood, that in the event of reduction or exhaustion of the aggregate limits of liability under the underlying Policy(s) by reason of loss(es) hereunder, this Policy shall:

1. in the event of reduction, pay out excess of the reduced underlying limit and;
2. in the event of exhaustion, continue in force as the underlying Policy.

**V. RIGHT TO REVIEW RECORDS FOLLOWING AN INSURED LOSS**

The Named Insured as often as may be reasonably required, shall submit and so far as within their power, cause all other persons interested in the property or employees to submit to examination under oath by any person named by the Company relative to any and all matters in connection with a claim, and produce for examination all books of account, bills, invoices and other vouchers or certified copies thereof if originals be lost, at such reasonable time and place as may be designated by the Company or their representatives and shall permit extracts and copies thereof to be made.

**W. CONCEALMENT AND FRAUD**

This entire Policy shall be void, if whether before or after a loss, the Named Insured has willfully concealed or misrepresented any material facts or circumstance concerning this Policy of the subject thereof, or the interest of the Named Insured therein, or in case of any fraud or false swearing by the Named Insured relating thereto.

**X. FULL WAIVER**

The terms and conditions of this form and any approved endorsements supersede any policy jacket that may be attached hereto.

**Y. SUIT AGAINST COMPANY**

No suit, action or proceeding for the recovery of any claim under this Policy shall be sustainable in any court of law or equity unless the Named Insured shall have complied with all the requirements of this Policy, nor unless the suit is commenced within twelve (12) months after the date that the Company has made its final offer of settlement or denial of the loss. However, that if under the laws of the jurisdiction in which the property is located such limitation is invalid, then any such claims shall be void unless such action, suit or proceedings be commenced within the shortest limit of time permitted by the laws of such jurisdiction.

- (i) The amount of loss which is in disagreement after making provisions for any undisputed claims payable under the said policy(ies) and after the amount of the loss is agreed by the Named Insured and the Boiler and Machinery Insurer and the Company is limited to the minimum amount remaining payable under either the boiler and machinery insurance policy(ies).
- (ii) The boiler and machinery insurer(s) shall simultaneously pay to the Named Insured, one-half of the said amount, which is in disagreement.
- (iii) The payments by the Company and acceptance of the same by the Named Insured signify the agreement of the Company to submit to and proceed with arbitration within ninety (90) days of such payments:

The arbitrators shall be three (3) in number, one of whom shall be appointed by the boiler insurer(s) and one of whom shall be appointed by the Company hereon and the third appointed by consent of the other two, and the decision by the arbitrators shall be binding on the insurer(s) and the Named Insured and that judgment upon such award may be entered in any court of competent jurisdiction.

(iv) The Named Insured agrees to cooperate in connection with such arbitration but not to intervene therein.

(v) This agreement shall be null and void unless the Policy of the boiler and machinery Insurer is similarly endorsed.

In no event shall an Insurer be obligated to pay more than their total single limit.

#### **AA. JOINT LOSS ADJUSTMENT – EXCESS PROPERTY**

- (1) the amount of loss which is in disagreement after making provisions for any undisputed claims payable under the said policy(ies) and after the amount of the loss is agreed by the Named Insured and the Company is limited to the minimum amount remaining payable under either the primary insurance policy or excess insurance policy(ies);
- (2) the excess insurers shall simultaneously pay to the Named Insured one-half of the said amount which is in disagreement, and;
- (3) the payments by the Company hereunder and acceptance of the same by the Named Insured signify the agreement of the Company to submit to and proceed with arbitration within ninety (90) days of such payments.

The arbitrators shall be three (3) in number, one of whom shall be appointed by the excess insurer(s) and one of whom shall be appointed by the Company and the third appointed by consent of the other two, and the decision by the arbitrators shall be binding on the Company and the Named Insured, and that judgment upon such award may be entered in any court of competent jurisdiction.

- (4) The Named Insured agrees to cooperate in connection with such arbitration but not to intervene therein.

## **AB. LENDER'S LOSS PAYABLE**

The following provisions (or equivalent) apply as required by "mortgages" and "lenders" to whom certificates of coverage have been issued.

1. Loss or damage, if any, under this Policy, shall be paid to the Payee named on the first page of this Policy, its successors and assigns, hereinafter referred to as "the Lender", in whatever form or capacity its interests may appear and whether said interest be vested in said Lender in its individual or in its disclosed or undisclosed fiduciary or representative capacity, or otherwise, or vested in a nominee or trustee of said Lender.
2. The insurance under this Policy, or any rider or endorsement attached thereto, as to the interest only of the Lender, its successors and assigns, shall not be invalidated nor suspended:
  - (a) by any error, omission, or change respecting the ownership, description, possession, or location of the subject of the insurance or the interest therein, or the title thereto;
  - (b) by the commencement of foreclosure proceedings or the giving of notice of sale of any of the property covered by this Policy by virtue of any mortgage or trust deed;
  - (c) by any breach of warranty, act, omission, neglect, or non-compliance with any of the provisions of this Policy, including any and all riders now or hereafter attached thereto, by the Named Insured, the borrower, mortgagor, trustor, vendee, owner, tenant, warehouseman, custodian, occupant, or by the agents of either or any of them or by the happening of any event permitted by them or either of them, or their agents, or which they failed to prevent, whether occurring before or after the attachment of this endorsement, or whether before or after a loss, which under the provisions of this Policy of insurance or of any rider or endorsement attached thereto would invalidate or suspend the insurance as to the Named Insured, excluding here from, however, any acts or omissions of the Lender while exercising active control and management of the property.
3. In the event of failure of the Named Insured to pay any premium or additional premium which shall be or become due under the terms of this Policy or on account of any change in occupancy or increase in hazard not permitted by this Policy, the Company agrees to give written notice to the Lender of such non-payment of premium after sixty (60) days from and within one hundred and twenty (120) days after due date of such premium and it is a condition of the continuance of the rights of the Lender hereunder that the Lender when so notified in writing by this Company of the failure of the Named Insured to pay such premium shall pay or cause to be paid the premium due within ten (10) days following receipt of the Company's demand in writing therefore. If the Lender shall decline to pay said premium or additional premium, the rights of the Lender under this Lender's Loss Payable Endorsement shall not be terminated before ten (10) days after receipt of said written notice by the Lender.
4. Whenever the Company shall pay to the Lender any sum for loss or damage under this Policy and shall claim that as to the Named Insured no liability therefore exists, the Company, at its option, may pay to the Lender the whole principal sum and interest and other indebtedness due or to become due from the Named Insured, whether secured or unsecured, (with refund of all interest not accrued), and the Company, to the extent of such payment, shall thereupon receive a full assignment and transfer, without recourse, of the debt and all rights and securities held as collateral thereto.

5. If there be any other insurance upon the within described property, the Company shall be liable under this Policy as to the Lender for the proportion of such loss or damage that the sum hereby insured bears to the entire insurance of similar character on said property under policies held by, payable to and expressly consented to by the Lender. Any Contribution Clause included in any Fallen Building Clause Waiver or any Extended Coverage Endorsement attached to this contract of insurance is hereby nullified, and also any Contribution Clause in any other endorsement or rider attached to this contract of insurance is hereby nullified except Contribution Clauses for the compliance with which the Named Insured has received reduction in the rate charged or has received extension of the coverage to include hazards other than fire and compliance with such Contribution Clause is made a part of the consideration for insuring such other hazards. The Lender upon the payment to it of the full amount of its claim, will subrogate the Company (pro rata with all other insurers contributing to said payment) to all of the Lender's rights of contribution under said other insurance.
6. The Company reserves the right to cancel this Policy at any time, as provided by its terms, but in such case this Policy shall continue in force for the benefit of the Lender for ten (10) days after written notice of such cancellation is received by the Lender and shall then cease.
7. This Policy shall remain in full force and effect as to the interest of the Lender for a period of ten (10) days after its expiration unless an acceptable policy in renewal thereof with loss there under payable to the Lender in accordance with the terms of this Lender's Loss Payable Endorsement, shall have been issued by some insurance company and accepted by the Lender.
8. Should legal title to and beneficial ownership of any of the property covered under this Policy become vested in the Lender or its agents, insurance under this Policy shall continue for the term thereof for the benefit of the Lender but, in such event, any privileges granted by this Lender's Loss Payable Endorsement which are not also granted the Named Insured under the terms and conditions of this Policy and/or under other riders or endorsements attached thereto shall not apply to the insurance hereunder as respects such property.
9. All notices herein provided to be given by the Company to the Lender in connection with this Policy and this Lender's Loss Payable Endorsement shall be mailed to or delivered to the Lender at its office or branch described on the first page of the Policy.

## **AGH. DEFINITIONS**

### **1. OCCURRENCE**

Each occurrence is defined as a loss, incident or series of losses or incidents not otherwise excluded by this Policy and arising out of a single event or originating cause and includes all resultant or concomitant insured losses. When the term applies to loss or losses from earthquake shock, flood and/or windstorm, the following provisions shall apply:

#### **a. Windstorm**

The Company will be liable for any losses occurring for a period of up to seventy-two (72) hours after the expiration of this Policy provided that the first windstorm loss or damage within that seventy-two (72) hours occurs prior to the date and time of expiration of this Policy.

  - b) Demolition and Increased Cost of Construction is USD as per Declaration Page, subject to the following:
