12. **Third Party Administrator (TPA)** shall mean the claims administrator for the **Authority** for the PLP.

ARTICLE II: GENERAL

A. AUTHORITY

1. The Pooled Liability Program (PLP) Master Program Document (MPD) is one of the **Authority's** governing documents. However, any conflict between the PLP MPD, the **Authority's Agreement**, the Bylaws, or the PLP MOC shall be determined in favor of the **Agreement**, the Bylaws, or the MOC, in that order.
2. The PLP MPD is intended to be the primary source of information, contain the rules and regulations, and serve as the operational guide for the conduct of the PLP.
3. The PLP has been organized under authority granted by the laws of the State of California and shall be conducted in accordance with such laws.

B. PURPOSE

The primary purpose in establishing a PLP is to create a method for providing coverage for legal exposures incurred by the **Participants** and the **Authority** as provided in the MOC and, if applicable, the excess coverage.

C. PARTICIPATION

Any **Member Entity** may participate in the PLP. However, the terms and conditions which may be imposed on a **Participant** which desires to join the PLP may be different, depending upon payroll, number of employees, the size of the entity, its loss record, and other pertinent information.

D. GOVERNANCE

Each **Participant's** appointed primary representative and one alternate representative shall be the representative for the PLP. The **Participant** will be entitled to one vote on all issues or decisions that involve the PLP.

E. GOALS AND OBJECTIVES

1. The PLP shall provide liability coverage for the **Participants** utilizing an optimum mix of risk retention and risk transfer. The PLP shall provide various **retained limits** for the **Participants**, provide a risk-sharing pool for losses above individual

retained limits up to the **Authority's Self-Insured Retention (SIR)**, and obtain excess coverage for the amount of the loss which exceeds the **Authority's SIR**. Additionally, the PLP shall provide for the sharing of operating costs and payment of the excess coverage by charging all **Participants** their share of such costs.

2. Although the PLP is provided to the **Participants** under those terms and conditions which prevail at the time the **Participant** joins the PLP, the **Board** shall have the right to alter, from time to time, the terms and conditions of the excess coverage and the pooled underlying coverage in response to the needs and abilities of the PLP and the **Participants**, as well as in response to availability of coverage from outside sources.
3. The **Authority** offers participation in a risk-sharing pool, covering losses of **Participants** in accordance with the MOC adopted by the **Participants**. The assets of the pooled program shall be maintained at all times as the assets of the **Participants** collectively. The assets may be disbursed only pursuant to the provisions of this MPD, and no **Participant** shall have an individual right to exercise control over said assets.
4. The PLP will provide coverage under the terms and conditions set forth in the MOC. The amount of coverage to be pooled and/or purchased is at the discretion of the **Board**.

ARTICLE III: PROGRAM ELEMENTS

A. PROGRAM YEARS

1. Each **program year** shall be accounted for separately. The income and expenses of each **program year** shall be accounted for separately from any other **program year's** income or expenses.
2. A **program year** shall not be closed until at least ten years of age if, at such time the **Board** authorizes closure, being convinced that all known claims for the year are closed and the probability of further claims being discovered is minimal. Any closed years, however, may be reopened if deemed necessary and approved by the **Board**.

B. RETAINED LIMITS

1. The PLP shall annually establish the **limit of coverage** for the pool. The underlying coverage of the PLP shall offer **Participants retained limits** of \$5,000, \$10,000, \$25,000, \$50,000, \$100,000, \$250,000, \$350,000, \$500,000, and \$750,000 per occurrence, or other limits as modified by resolution. The **Participants** may annually select their **retained limits**. The amount of each loss, including expenses, which is less than the **retained limit** chosen by the applicable **Participant**, shall be paid by the **Participant**.

2. A **Participant** may alter its **retained limit** only at the inception of a **program year** upon thirty (30) days' advance written notice. The **Board**, with a two-thirds vote, and by providing 60 days' advance written notice to the **Participant**, may require a **Participant** at the inception of the **program year** to take a **retained limit** different than the **Participant's retained limit** in the expiring **program year**.
3. The amount of each loss, including expenses, which is less than the **retained limit** chosen by the applicable **Participant** shall be paid by the **Participant**. Those amounts of each loss that are less than the **retained limit** chosen by the applicable **Participant** may be paid on behalf of the **Participant**, from the pay-as-you-go reserve fund. If a **Participant** directly pays any claim within its **retained limit**, such **Participant** shall report all payments to the **Authority** to ensure better claims control and actuarial analysis.

C. DEPOSIT PREMIUMS

1. The **Executive Director**, in conjunction with an actuary, shall establish rates and **deposit premiums**, subject to **Board** approval, adequate to fund the actuarially determined losses in the pooled layer of the PLP, including attorney fees and other claims related costs, the cost of excess coverage, and the projected administrative costs, including retirement of debt, if any, of the PLP.
2. The annual **deposit premium** for each **Participant** shall be calculated by applying the **Participant's** most recent calendar year payroll to 1) the funding level as determined by the actuary and recommended by the **Executive Director**, adjusted for individual **Participant's loss experience**, relative risk and **Participant retained limit** and/or the cost of any purchased primary insurance or reinsurance, 2) the cost of any excess coverage, and 3) a charge for the administrative and claims servicing expenses of the PLP as determined by the **Executive Director**. An annual audit of a **Participant's** payroll may be conducted by the Authority.
3. The administrative expenses charged to each **Participant** shall be calculated as follows: Sixty percent of the amount calculated is allocated by each **Participant's** relative percentage of payroll; forty percent of the amount calculated is allocated equally to each **Participant**.
4. There shall be a minimum pooled-layer premium of \$75,000 for each **Participant**. Any **Participant's** experience modified pooled layer premium that does not equal or exceed \$75,000 will automatically be inflated to \$75,000 prior to the costs of excess coverage and administrative and claims servicing expenses being applied.

D. EXPERIENCE MODIFICATION

1. Each **Participant** shall be evaluated each year for an experience modification adjustment that shall be applied to the **deposit premium**.
2. The calculation of the adjustment shall include the **loss experience** of the individual **Participant** as it relates to the average **loss experience** of the group as a whole. Such **loss experience** shall not consider loss years that are more than five years old. The criterion that shall be used is the relationship of actual average **loss experience** over the period being rated as it relates to the average payroll for the same period.

E. DIVIDEND AND ASSESSMENTS

1. DIVIDENDS

(a). At the end of each **program year**, a dividend calculation shall be performed for all open **program years**. Each year thereafter there shall be an additional dividend calculation made until such time as the **program year** is closed. Any dividends available to be declared and returned to the **Participants** will be at the discretion of the **Board**, provided that the total dividend to be distributed from all qualifying **program years** shall not reduce the total equity for all **program years** below a discounted 90% confidence level.

(b). Calculation

- i. Dividends may not be declared from a **program year** until five years after the end of that **program year**.
- ii. Dividends may be declared only at such time as the PLP has equity, with liabilities actuarially stated at a discounted 90% confidence level. The calculated amount shall represent the maximum dividend available to be declared.
- iii. The dividend shall be reduced if any of the five succeeding years (after the five years eligible for dividend calculation) have negative equity, with liabilities actuarially stated at a discounted 90% confidence level.
- iv. Dividends may be declared only if the equity at the 90% confidence level is five times the **Self Insured Retention**.

2. ASSESSMENTS

(a). Assessments may be levied on the **Participants** for the risk sharing layer of any **program year(s)**, as approved by the **Board**, at such time as an actuary finds that the assets of the PLP, as a whole, do not meet the expected

discounted losses of the PLP. Each **Participant's** share of the assessment shall be allocated based upon the **deposit premiums** collected for the self-insured layer of each respective **program year** being assessed. If such assessment is not sufficient to relieve the pool of its actuarially determined deficit in the year of the assessment, such assessment shall be levied each subsequent year until the actuarially determined deficit is relieved. The timing of payment shall be determined by the **Board** at the time of assessment.

- (b). Equity from the risk-sharing layer may be exchanged between eligible **program years** if sufficient funds are available. The transfer of equity will be performed so that the individual **Participant's** share of equity is separately applied so as to maintain the integrity of each **Participant's** balance.

F. EXCESS COVERAGE

1. The **Board** shall ensure that each **program year** is provided with excess liability coverage for the **Participants**. It is the intent and purpose of the **Authority** to continue to provide such coverage to the **Participants**, provided that such coverage can be obtained and is not unreasonably priced. This coverage may be obtained from an insurance or reinsurance company, by participating in another pool established under the Government Code as a joint powers authority, or offered through another PLP pooling procedure. If the coverage is purchased from an insurance company, such insurance company shall have an A.M. Best Rating Classification of A or better and an A.M. Best Financial Rating of VII or better or their equivalents.
2. Premiums for such coverage shall be paid by the PLP from the proceeds received as **deposit premiums** from the **Participants**. One-half of the excess premiums shall be allocated to the Participants based on the Participant's prior year calendar payroll and one-half shall be adjusted by each Participant's experience modification factor.
3. The **Board** may, from time to time, alter excess coverage based on insurance market conditions, available alternatives, costs, and other factors. The **Board** shall place excess coverage with the two competing objectives of security and minimizing costs to the PLP as a whole.

G. PAY-AS-YOU-GO RESERVE FUND FOR PAYMENT OF CLAIMS

1. ESTABLISHMENT OF FUND

- (a). At the beginning of the **program year**, each **Participant** shall be charged a deposit which shall be equal to the expected cost of each Participant's claims within the individual **Participant's retained limit** for a period of three months. Should the deposit calculation be less than \$5,000, the Participant's deposit will automatically be increased to that amount as a required minimum contribution. Contributions will also be rounded to the nearest \$5,000.

- (b). The monies collected from the above deposits shall establish a fund for payment of claims within the individual **Participant's retained limit**. This fund shall be referenced as the pay-as-you-go reserve fund.

2. ACCOUNTING AND REPLENISHMENT OF FUND

- (a). There shall be a separate accounting of the deposits for each **Participant**. These monies, although invested with the rest of the **Authority's** funds, shall not be allocated investment earnings and shall remain in the control of the **Authority**. Every four years, through the budget process, the amount to be held by the **Authority** on behalf of each **Participant** may be adjusted.
- (b). Payments from the fund shall be initiated by sending a check requisition form to the **Third Party Administrator**. Upon receipt, the **Third Party Administrator** shall execute payment and charge the payment to the requesting **Participant's** account.
- (c). Each month, a register of payments made on behalf of each **Participant** shall be sent to the **Participant** for whom payments were made from the fund. Accompanying the register will be an invoice for the amounts needed to replenish the fund to its original amount. The **Participants** shall have forty-five (45) days from the date of said invoice to make repayments to the fund.

ARTICLE IV: ADMINISTRATION

A. BOARD

- 1. Discussion of developments and performance of the PLP may occur as part of any scheduled **Board** meeting.

2. The Executive Committee shall approve the claims auditor. The costs of such claims audit shall be paid by the **Authority**.
3. The claims audit report shall address the issues of both adequacy of claims procedures and accuracy of claims data. The report shall be filed with the **Authority** and sent to each **Participant**.

C. CLAIM SETTLEMENT AUTHORITY

1. Each **Participant** shall have settlement authority for all claims, including attorney fees and other costs, which do not exceed 100% of the **Participant's retained limit**. The Litigation Manager will review these claims from time to time and may offer a recommendation to the **Participant's Third Party Administrator** and the **Participant** regarding settlement. This provision does not apply to claims for bodily injury or personal injury with bodily injury component for Medicare eligible or beneficiary claimants; **Participants** shall immediately notify the Litigation Manager once a claimant has been identified as Medicare eligible or a Medicare beneficiary.
2. The Litigation Manager shall have the authority to settle any claim with an ultimate net loss equal to or less than two hundred thousand dollars (\$200,000) in excess of the **retained limit** of the **Participant** involved but only if the ultimate value of the claim is less than \$500,000.

3. The Executive Committee shall have the authority to settle any claim with an ultimate net loss equal to or less than five hundred thousand dollars (\$500,000). However, such authority shall only apply to those claims whose ultimate net loss, as defined in the PLP MOC, is in excess of the settlement authority given to the Litigation Manager and above the **retained limit** of the **Participant** involved.
4. The **Board** retains unto itself the authority to approve settlement of all other claims. However, the Executive Committee shall periodically review such claims and may make recommendations to the Board.

D. DISPUTES REGARDING MANAGEMENT OF A CLAIM

3. Where the Litigation Manager has the right to, and does, select legal counsel, the **Participant** for which such counsel was selected may appeal the selection to the Executive Committee. The decision of the Executive Committee shall be binding and final with no further right of appeal to the **Board**.

ARTICLE VI: PARTICIPATION

A. ELIGIBILITY AND APPLICATION

1. ELIGIBILITY
 - (a). The applicant must commit to at least three full **program years** of participation in this PLP.
 - (b). Any **Member Entity** may apply to participate in the PLP by providing an adopted resolution of its governing body and such other information/materials as may be required. The applicant's resolution shall commit the applicant to three full **program years** of participation in the PLP, if accepted, and consent to be governed for liability coverage in accordance with the MPD, the MOC and other documents and policies adopted by the **Board**. The resolution may also state the **retained limit** desired by the applicant.

- (c). The application for participation shall be submitted at least thirty (30) days prior to the date of the last **Board** meeting of the **program year** to ensure the **Board** has adequate time to review and evaluate the acceptability of the applicant. It is recommended that an applicant enter the PLP only at the commencement of a new **program year**. If an applicant chooses to enter the PLP at any other time, the **deposit premium** for the remainder of the **program year** will be pro-rated. The new **Participant** will begin coverage on the date that is mutually acceptable to the new **Participant** and the **Board**; however, the new **Participant** will be required to share losses with the other **Participants** of the PLP for the entire **program year**.

2. APPROVAL OF APPLICATION

The **Board** shall, after reviewing the resolution and other underwriting criteria, determine the acceptability of the exposures presented by the applicant and shall advise the applicant in writing of its decision to accept or reject the request within 10 days after the decision has been made.

B. PARTICIPANTS' DUTIES

1. The **Participants** shall provide payroll, using the State DE-9 form, and all other requested information in conformance with the policies adopted by the **Board**.
2. The **Participants** shall disclose activities not usual and customary in their operation.
3. The **Participants** shall at all times cooperate with the **Authority's Executive Director**, Litigation Manager, **Third Party Administrator**, and loss control personnel, in regards to underwriting activities of the **Authority**.
4. Each year the **Authority** shall bill **Participants** for a liability **deposit premium** for the next **program year**. The billings shall be due and payable in accordance with the Bylaws.
5. Billings may be made to **Participants** for a **program year** found to be actuarially unsound. All billings for payments to bring a **program year** into an actuarially sound condition are due and payable upon receipt.
6. Former **Participants** in the PLP shall be required to pay all applicable billings for the **program years** in which they participated. Delinquent billings, together with penalties and interest, shall be charged and collected from the **Participant** in accordance with the Bylaws.
7. Penalties and interest shall be charged against any amounts delinquent in accordance with the Bylaws.

C. TERMINATION

1. VOLUNTARY TERMINATION

- (a). A **Participant** shall not be permitted to withdraw from the PLP prior to the end of its commitment period of three full **program years**, and shall be obligated for payment of premiums for these three years.
- (b). A **Participant** which has maintained its participation in the PLP for three full **program years** may terminate its participation if, at least six months before the next **program year**, a written request to terminate participation is received from the **Participant**.
- (c). Any **Participant** seeking to terminate its participation without proper and timely notice shall be responsible for the full cost of the next **program year's** premium. The notice will be deemed effective for the **program year** following the year in which the additional premium is paid.

2. INVOLUNTARY TERMINATION

- (a) The **Board** may initiate termination of a **Participant** from the PLP for the following reasons:
 - (i) Termination as a **Member Entity** of the **Authority**;
 - (ii) Declination to cover the **Participant** by the entity providing excess coverage;
 - (iii) Nonpayment of premiums, assessments, or other charges;
 - (iv) Frequent late payment of premiums, assessments, and/or other charges, subject to interest and penalty charges;
 - (v) Failure to timely provide requested underwriting information;
 - (vi) Consistent poor loss history relative to the pool;
 - (vii) Substantial change in exposures which are not acceptable in this PLP;
 - (viii) Financial impairment that is likely to jeopardize this PLP's ability to collect amounts due in the future; and/or
 - (ix) Refusal to participate in loss control activities.

The Board's determination of the existence of any of these conditions shall be final.

- (b) The **Board** shall have the authority, upon a two-thirds approval, to authorize a termination notice be sent to a **Participant**. Such notice shall be sent at least 60 days prior to the effective date of termination.

3. CONTINUED LIABILITY UPON TERMINATION

Termination of participation, whether voluntary or involuntary, in future **program years** does not relieve the terminated **Participant** of any benefits or obligations of those **program years** in which it participated. These obligations include payment of assessments, retrospective adjustments, or any other amounts due and payable.

ARTICLE VII: TERMINATION AND DISSOLUTION OF THE PLP

The PLP may be terminated and dissolved any time by a vote of two-thirds of the **Participants**. However, the PLP shall continue to exist for the purpose of disposing of all claims, distributing assets, and all other functions necessary to conclude the affairs of the PLP.

Upon termination of the PLP, all assets of the PLP shall be distributed only among the **Participants**, including any of those which previously withdrew pursuant to Article VI, in accordance with and proportionate to their **deposit premiums** and assessments paid during the term of participation. The **Board** shall determine such distribution within six months after the last pending claim or loss covered by the PLP has been finally resolved and there is a reasonable expectation that no new claims will be filed.

ARTICLE VIII: AMENDMENTS

This MPD may be amended by a majority vote of the **Participants** present and voting at the meeting, provided prior written notice, as provided within the **Agreement**, has been given to the **Board**.
